THE DONALD FRANCIS DRAPER TRUST

THIS REVOCABLE TRUST AGREEMENT, made and entered into this 1st day of September, 2025, by and between DONALD FRANCIS DRAPER as SETTLOR, and DONALD FRANCIS DRAPER, as TRUSTEE.

The SETTLOR hereby transfers to the TRUSTEE the property listed in Schedule A attached hereto and made a part hereof by reference. That property and all investments and reinvestments thereof and additions thereto are herein collectively referred to as the "TRUST ESTATE" and shall be held, administrated, and distributed by the Trustee as provided in this Agreement.

ARTICLE I. DESIGNATION OF TRUST.

For purposes of titling assets and for purposes of convenience, this trust shall be known as and may be referred to as the "DONALD FRANCIS DRAPER TRUST OF 1st day of September, 2025."

FAMILY WITH SPOUSE

Whereas, the Settlor is married to BETTY HOFSTADT DRAPER, (hereinafter "Spouse") and has three children, SALLY BETH DRAPER, ROBERT DRAPER, and EUGENE SCOTT DRAPER. The children named in the preceding sentence, any children of the Settlor born or adopted after the date hereof, and their descendants are hereinafter collectively referred to as the Settlor's "descendants."

ARTICLE II. RIGHT TO AMEND OR REVOKE.

The SETTLOR may at any time or times during his lifetime by instrument in writing delivered to the TRUSTEE, amend, restate, or revoke this TRUST in whole or in part. This power is personal to the SETTLOR and may not be exercised by SETTLOR'S guardian or others, except by Order of a Court of competent jurisdiction.

ARTICLE III. TRUST ADMINISTRATION DURING LIFETIME OF SETTLOR.

During SETTLOR'S lifetime, the TRUSTEE shall pay the net income from the Trust Estate in convenient installments, no less often than quarter—annually, to the SETTLOR or otherwise as SETTLOR may from time to time direct. The TRUSTEE shall also pay to SETTLOR such sums from principal as SETTLOR may request at any time.

Notwithstanding the above direction, if at any time or times the SETTLOR is unable to manage SETTLOR'S affairs, or if the SETTLOR is declared incompetent by any Court of Law, the successor TRUSTEE may use such sums from the income and principal of the Trust Estate as the successor TRUSTEE deems necessary or advisable for the care, support and comfort of the SETTLOR and any person dependent upon SETTLOR, or for any other purpose the successor TRUSTEE considers to be for the SETTLOR's best interest, adding to principal any income not so used.

For purposes of this Agreement, the SETTLOR shall be considered to be unable to manage SETTLOR'S affairs if SETTLOR is under such disability by reason of illness or mental or physical disability that SETTLOR is unable to give prompt and intelligent consideration to financial matters. The determination of SETTLOR'S inability at any time shall be made by SETTLOR'S regularly attending physician, and the successor TRUSTEE may rely upon the written opinion of that physician in exercise of the discretion granted hereunder.

The Settlor has the right to requisite beneficial interest and possessory right in and to the real property which has been, or may hereafter be, placed in this Trust. The Settlor has the right to reside in and to make said property the Settlor's permanent residence during their lifetime in order to qualify for the homestead exemption pursuant to Sections 196.031 and 196.041(2) of the Florida Statutes and under Article X, Section 4 of the Florida Constitution, as amended. For that purpose, the Settlor's interest in such property is an interest in real property and not personal property.

ARTICLE IV. SUCCESSOR TRUSTEE.

Upon the death of the SETTLOR, upon the written resignation of the SETTLOR as TRUSTEE delivered to the successor TRUSTEE, or in the event that the SETTLOR for any reason is unable to manage SETTLOR'S affairs as specifically set forth in ARTICLE III., hereinabove, the SETTLOR nominates, constitutes, and appoints BETTY HOFSTADT DRAPER as the successor TRUSTEE. In the event BETTY HOFSTADT DRAPER for any reason shall fail to qualify or fail to serve as the TRUSTEE, SETTLOR then nominates, constitutes, and appoints CHEMICAL BANK as successor.

Wherever used herein, the term "TRUSTEE" shall be construed to apply to the then serving TRUSTEE hereunder, whether the same be the originally named TRUSTEE, a named successor TRUSTEE or a TRUSTEE appointed by the other provisions of this indenture.

ARTICLE V. DISTRIBUTIONS AFTER SETTLOR'S DEATH.

Upon SETTLOR'S death and after making provision for the payments under Article XI., the Trustee shall distribute the remaining Trust Estate as follows:

Section 5.1. Gifts Under Will. If the SETTLOR'S Will makes a gift of a specific asset that is held in this Trust upon SETTLOR'S death, and if this Trust does not make a specific gift of that asset, the Trustee shall distribute that asset to the beneficiary named in SETTLOR'S Will. If SETTLOR'S Will gives his residuary probate estate to this Trust, and if SETTLOR'S probate estate is insufficient to satisfy any other pre-residuary gift under his Will, the Trustee shall satisfy the balance of that gift from the Trust.

Section 5.2. Disposition of Trust Estate. If the settlor's spouse survives SETTLOR by , the balance of the trust estate shall be retained by the trustee, in trust, to be held, administered and distributed according to the terms set forth in Article VI., Section 6.1. for the Family Trust.

Section 5.3. If settlor's spouse does not survive the settlor by , the balance of the trust estate shall be retained by the trustee, in trust, to be held, administered and distributed according to the terms set forth in Article VI., Section 6.2. for the Sprinkling Trust.

ARTICLE VI. ADMINISTRATION OF FAMILY TRUST.

Section 6.1. Family Trust. The trustee shall hold, administer, and distribute the assets of the Family Trust as follows:

(a) **Discretionary Payment of Income and Principal by Trustee**. The trustee shall pay or distribute to or apply for the benefit of any one or more of SETTLOR'S spouse and settlor's children who survive settlor, until the death of settlor's spouse, in quarterly or other convenient installments, but not less often than annually, as much of the net income of the trust, and as much of the principal of the trust, as the trustee, in the trustee's sole and absolute discretion, deems necessary for the health, education, support, and maintenance of each of them. In making these payments and distributions, the trustee may pay, distribute, or apply more to or for some beneficiaries than others, and may make payments or distributions to or for one or more beneficiaries to the exclusion of others. All decisions of the trustee regarding payments under this subsection, if any, are within the trustee's full discretion. The trustee shall accumulate and add to principal any net income not distributed.

(b) **Termination**. On the death of the SETTLOR'S spouse, the trustee shall hold, administer, and distribute the trust as a single trust for the benefit of the SETTLOR'S children, per stirpes, in accordance with Article VI., Section 6.2. applicable to the Sprinkling Trust.

Section 6.2. Sprinkling Trust. The trustee shall hold, administer, and distribute the assets of the Sprinkling Trust as follows:

(a) **Discretionary Payment of Income and Principal by Trustee**. The trustee shall pay or distribute to or apply for the benefit of any one or more of the children of the SETTLOR, and the surviving descendants, per stirpes, of any deceased child of the SETTLOR, until the youngest child of the SETTLOR reaches the age of twenty-one, in quarterly or other convenient installments, but not less often than annually, as much of the net income of the trust, and as much of the principal of the trust, as the trustee, in the trustee's sole and absolute discretion, deems necessary for the health, education, support, and maintenance of each of them, or if an Independent Trustee is then serving, as it determines to be in their best interests. In making these payments and distributions, the trustee may pay, distribute, or apply more to or for some beneficiaries than others, and may make payments or distributions to or for one or more beneficiaries to the exclusion of others. No amount paid out or applied need thereafter be repaid to the trustee or restored to the trust. The trustee shall accumulate and add to principal any net income not distributed.

(b) **Further Distribution and Termination**. When the SETTLOR's then youngest living child reaches age twenty-one, or when the Sprinkling Trust is established if they have already reached that age, the Trustee shall transfer outright and free of trust one-half of the remaining principal of the Sprinkling Trust in equal shares to the SETTLOR's then living descendants, per stirpes. At the later of five years after the establishment of the Sprinkling Trust or when the SETTLOR's then youngest living child has reached age twenty-one, the Trustee shall transfer outright and free of trust all of the trust assets held in trust in equal shares to the SETTLOR's then living descendants, per stirpes.

(c) **Consideration of Beneficiary's Other Resources**. In making any payments of income or distributions of principal from the Sprinkling Trust for the health, education, support, and maintenance of any beneficiary, the trustee shall take into consideration, to the extent the trustee deems advisable, any other income or resources available to that beneficiary that are known to the trustee and that are reasonably available for that purpose.

ARTICLE VII. CONTINGENT DISPOSITION.

If the SETTLOR'S said spouse does not survive SETTLOR and none of the SETTLOR's descendants survive the SETTLOR, then in that event, the TRUSTEE shall distribute the balance of the Trust Estate, as then constituted, to STEPHANIE HORTON.

ARTICLE VIII. PORTABILITY.

SETTLOR intends to provide flexibility in allowing all of SETTLOR's unused Applicable Exemption Amount to be available for use by SETTLOR's spouse's estate as provided in IRC § 2010(c) by virtue of the Deceased Spousal Unused Exclusion Amount election (the "DSUEA Election"). Therefore, if SETTLOR's spouse survives SETTLOR and SETTLOR's estate is required to file an estate tax return, SETTLOR directs their Personal Representative to make the DSUEA Election. If SETTLOR's estate is not required to file an estate tax return, SETTLOR's Personal Representative in its discretion may take all steps required to make the DSUEA Election in SETTLOR's estate, including, if necessary, the preparation and timely filing of an estate tax return for SETTLOR's estate (including extensions). If SETTLOR's estate is not probated, or if SETTLOR's Personal Representative is unable or unwilling to follow the terms of this Article, the Trustee of this Trust Agreement shall substitute for SETTLOR's Personal Representative and comply with this Article, as if the Trustee was that Personal Representative (and, in that case, reference in this Article to "Personal Representative" will mean that Trustee). The following will apply to the making of the DSUEA Election.

SETTLOR's Personal Representative will provide timely written notice to SETTLOR's spouse and all other residuary beneficiaries of the Trust of the opportunity for making of a DSUEA Election. Notice will be timely given if received by the parties within 3 months of the due date (including extensions) of an estate tax return for SETTLOR's estate, or if none is due, within 6 months after SETTLOR's death.

SETTLOR's spouse or her legal representative may waive the making of the DSUEA Election in a writing delivered to the Personal Representative within 30 days after the notice period described above.

SETTLOR's Personal Representative will use its best efforts to preserve the confidentiality of all information during the process of making the DSUEA Election, and SETTLOR authorizes the release of such information, including to SETTLOR's spouse, in the discretion of SETTLOR's Personal Representative.

The costs of preparing and filing the documents necessary to make the DSUEA Election are to be charged to SETTLOR's estate or to SETTLOR's spouse, in the discretion of SETTLOR's Personal Representative.

If SETTLOR's estate is not required to file an estate tax return, SETTLOR excuses SETTLOR's Personal Representative from any liability in deciding whether or not to make the DSUEA Election, and in selecting the source of payment for the expenses associated with that election, if made.

ARTICLE IX. POSTPONEMENT OF POSSESSION.

Each share of any trust created hereunder which is distributable to a descendant who has not attained the age of 21 years and for whom no other trust is then to be held hereunder shall immediately vest in said descendant, but the TRUSTEE shall (i) establish therewith a custodianship for said descendant under the Florida Uniform Transfers to Minors Act or under a Uniform Gifts to Minors Act, or (ii) retain possession of the share as a separate trust until said descendant attains the age of 21 years, meanwhile paying to or for the benefit of said descendant so much or all of the income and principal of said share as the TRUSTEE in the TRUSTEE's sole and absolute discretion deems necessary or advisable, from time to time, for his or her health, maintenance, education and support, adding to principal any such income not so paid.

ARTICLE X. AUTHORITY OF TRUSTEE.

No TRUSTEE or successor TRUSTEE whenever acting shall be required to furnish any bond or other security for the faithful performance of their or its duties as a TRUSTEE, and if any bond should be required, no surety shall be furnished thereon. The SETTLOR recommends that Trust registration be neither voluntarily accomplished by the TRUSTEE nor requested by any beneficiary.

ARTICLE XI. TRUSTEE SUCCESSION.

Any TRUSTEE serving hereunder may resign at any time by delivering to each other Co-Trustee, or if no Co-Trustee is then serving, to each successor Trustee who has accepted the trusteeship and to each adult beneficiary then entitled to receive or have the benefit of income from the Trust Estate. In case of the resignation, refusal, or inability to act of any TRUSTEE acting or appointed to act hereunder (for whom no successor has been designated herein), the beneficiary or a majority in interest of the beneficiaries then entitled to receive or have the benefit of the income from the trust, may appoint a successor TRUSTEE.

Every successor TRUSTEE shall have all of the powers given the originally named TRUSTEE. No successor TRUSTEE shall be personally liable for any act or omission of any predecessor. With the approval of the beneficiary or a majority in interest of the beneficiaries then entitled to receive or have the benefit of the income from the Trust Estate, a successor TRUSTEE may accept the account rendered and the property received as a full and complete discharge to the predecessor TRUSTEE without incurring any liability for so doing. The parent or guardian of a beneficiary under disability shall receive notice and have the authority to act for such beneficiary under this Article.

ARTICLE XII. TAXES–EXPENSES.

After the SETTLOR'S death, the TRUSTEE shall pay all or any part of the following which the Personal Representative of SETTLOR'S estate shall request in writing be paid from the assets of the Trust Estate: SETTLOR'S funeral expenses; legally enforceable claims against the SETTLOR or SETTLOR'S estate; expenses of administration of SETTLOR'S estate; any allowances by Court Order to those dependent upon the SETTLOR; and any devise made under SETTLOR'S probated Last Will and Testament. In addition, the TRUSTEE shall pay all and any estate, inheritance, succession, death, or similar taxes payable by reason of the SETTLOR'S death, together with interest and penalties thereon, whether or not the property forming SETTLOR'S gross estate passes under this Revocable Trust Agreement, under SETTLOR'S Will, or otherwise, EXPRESSLY EXCEPTING, HOWEVER, the following taxes, which taxes shall be paid as specified:

Section 12.1. Any additional tax imposed by Section 2032A of the Internal Revenue Code of 1986 shall be paid by the person holding or receiving the property subject to such section.

Section 12.2. Any generation skipping transfer tax imposed under Chapter 13 of the Internal Revenue Code of 1986, or corresponding provisions of State Law, shall be paid from the property constituting the transfer generating such tax.

Section 12.3. The amount, if any, by which the estate and inheritance taxes shall be increased as a result of the inclusion of property over which SETTLOR may have power of appointment, shall be paid by the person holding or receiving that property.

Section 12.4. The amount, if any, by which the estate and inheritance taxes shall be increased as a result of the inclusion of property under Section 2044 of the Internal Revenue Code of 1986, as amended, shall be paid by the person holding or receiving that property.

Written statements by the Personal Representative of the estate of the SETTLOR as to such sums that are due and payable by the estate shall be sufficient evidence of their amount and propriety for the protection of the TRUSTEE and the TRUSTEE shall be under no duty to see to the application of such payments. The TRUSTEE may make any or all of the aforesaid payments either directly to the entity involved or to the Personal Representative of the SETTLOR'S estate, as the TRUSTEE deems advisable.

Notwithstanding the foregoing, if any life insurance proceeds or other death benefits that are exempt from claims of creditors become payable to this Trust or the SETTLOR's estate, those proceeds may be made available for the payment of taxes and expenses of administration of the SETTLOR's estate, but shall not be used for the payment of claims and debts against the SETTLOR'S estate.

All estate, inheritance, succession, transfer and other death taxes, including any interest and penalties paid thereon, paid by the TRUSTEE as directed hereinabove, shall be charged against and paid as follows: (i) if SETTLOR'S spouse shall survive SETTLOR, out of the Family Trust established under ARTICLE VI., Section 6.1. of this Revocable Trust Agreement or (ii) if SETTLOR'S spouse does not survive SETTLOR, out of the Sprinkling Trust established under Article VI., Section 6.2.

The TRUSTEE shall make, or shall refrain from making, all elections and options available under the Code, with or without making equitable adjustments with respect to any interest in property passing hereunder by reason of any such exercise or election; PROVIDED, HOWEVER, that if SETTLOR'S Personal Representative or other authorized fiduciary shall elect to claim estate administration expenses as a deduction for income tax purposes rather than estate tax purposes, any such expenses paid from the

Trust Estate by the TRUSTEE as directed hereinabove, shall be charged against the residuary trust estate without apportionment.

The preceding Articles of this Agreement shall be subject to the TRUSTEE'S making or providing for the foregoing payments.

ARTICLE XIII. ADMINISTRATIVE PROVISIONS.

Section 13.1. Facility of Payment. If income or discretionary amounts of principal become payable to a minor or to a person under legal disability or to a person not adjudicated incompetent, but who, by reason of illness or mental or physical disability, is in the opinion of the TRUSTEE unable to properly manage their affairs, then such income or principal shall be paid or expended only in such of the following ways as the TRUSTEE deems best: (a) to the beneficiary directly, (b) to the legally appointed guardian of the beneficiary, (c) to a custodian for the beneficiary under The Florida Uniform Transfers to Minors Act or a Uniform Gifts to Minors Act, (d) by the TRUSTEE directly for the benefit of the beneficiary, (e) to an adult relative or friend in reimbursement for amounts properly advanced for the benefit of the beneficiary.

Section 13.2. Spendthrift. The interests of beneficiaries in principal or income shall not be subject to the claims of any creditor, any spouse for alimony or support, or others, or to legal process, and may not be voluntarily or involuntarily alienated or encumbered. This provision shall not limit the exercise of any power of appointment.

Section 13.3. Accrued Income. Income received after the last income payment date and undistributed at the termination of any estate or interest shall, together with any accrued income, be paid by the TRUSTEE as income to the SETTLOR'S spouse, if such spouse was entitled to income up to the date of death, and if not, the TRUSTEE shall pay the same as income to the persons entitled to the next successive interest in the proportions in which they take that interest.

Section 13.4. Powers. The TRUSTEE shall hold, manage, care for, and protect the trust property and shall have the following powers and, except to the extent inconsistent herewith, those now or hereafter conferred by law:

(j) To deal with, purchase assets from, or make loans to, the fiduciary of any trust made by the SETTLOR or any member of their family or a trust or estate in which any beneficiary under this Agreement has an interest, though a TRUSTEE hereunder is such fiduciary, and to retain any property owned by the SETTLOR at the time of SETTLOR'S demise, although not of a type, quality or diversification considered proper for trust investments;

ARTICLE XV. CONSTRUCTION OF TRUST.

The headings and subheadings used throughout this Trust are for convenience only and have no significance in the interpretation of the body of this Trust, and SETTLOR directs that they be disregarded in construing the provisions of this Trust.

ARTICLE XVI. LIMITATIONS ON POWERS.

Notwithstanding any provision of this Trust to the contrary, the following shall apply to any Trustee other than the SETTLOR:

(a) With respect to distributions from any trust by a TRUSTEE:

(1) No TRUSTEE shall have the power to make discretionary distributions of either principal or income other than limited by an ascertainable standard to or for the benefit of the TRUSTEE, the TRUSTEE 's estate, or the creditors of either;

(2) No Trustee shall have the power to make discretionary distributions of either principal or income to satisfy any of the TRUSTEE's personal legal obligations for support or other purposes;

(3) No TRUSTEE shall have the power to make discretionary allocations in the TRUSTEE's personal favor of receipts or expenses as between income and principal, unless such TRUSTEE has no power to enlarge or shift any beneficial interest except as an incidental consequence of the discharge of such TRUSTEE's fiduciary duties; and

(4) No TRUSTEE shall have the power to exercise any of the powers proscribed by this paragraph with regard to an individual, other than the TRUSTEE, to the extent that such individual could exercise a similar prohibited power in connection with a trust that benefits the TRUSTEE.

(b) If any trust created under this Trust contains a power proscribed under subparagraph (a), the power may be exercised by the remaining individuals and/or entities serving as the TRUSTEE who are not so prohibited as if they were the only TRUSTEE. Accordingly, it is the Settlor's intent that any beneficiary serving as TRUSTEE shall not participate in the discretionary distribution of any income or principal to that TRUSTEE as a beneficiary other than by an ascertainable standard. If there is no TRUSTEE in office who can exercise such power, then subject to the provisions of this paragraph, the TRUSTEE shall resign as TRUSTEE, or another TRUSTEE shall be appointed pursuant to this Trust Agreement, to exercise such proscribed power.

(c) No beneficiary of a trust, in an individual, TRUSTEE, or other capacity, may appoint a trustee who is related or subordinate to the beneficiary within the meaning Section 672(c) of the Internal Revenue Code to replace a TRUSTEE that is removed.

(d) No TRUSTEE shall have any power, incident of ownership, or right of any kind relating to any life insurance policy on their life held as part of any trust with respect to which they are acting as one of the Trustees.

(e) No holder of any special power of appointment shall have any power to appoint any property to the extent that such appointment would satisfy any legal obligations of support of such powerholder.

ARTICLE XVII. PERPETUITIES PROVISION.

Notwithstanding any other provision of this Trust, the trusts created hereunder shall vest in and be distributed to the persons then entitled to the income from such property within the time period specified under Section 689.225 of the Florida Statutes, as amended, unless vested sooner as provided in this Trust. The Trustee shall distribute the remaining portion of trust property outright to the persons then entitled to receive the income from the trust in the proportions in which they are beneficiaries of such income, and if no proportions are specified, then in equal shares.
